

THE OWL

The Owl

Westminster High School Westminster, Maryland

Foreword

In this yearbook is contained a portion of our high school life. These days will be preserved here forever in pictures and words. Memories of classes, teachers, friends, and activities will be revived again as we recognize familiar faces and see again formerly every-day sights. To those of you who may glance through this book but have not attended Westminster High, this might seem just another yearbook. However, to the staff, teachers, graduating class—to everyone who, along with the rest of us, has worked, played, lived, laughed, and cried here—this is a golden book of memories recalling days that can never be lived again.

Under the capable leadership of Editor Robbins Ridington the Senior Owl Staff has contributed greatly to develop further interest in the student publications. To affirm this statement the Senior Owl Staff has proven these abilities along various channels. One of its many activities includes editing six issues of the school newspaper. The culmination of their journalistic career came with the final publication of the yearbook and the supplement of '57.

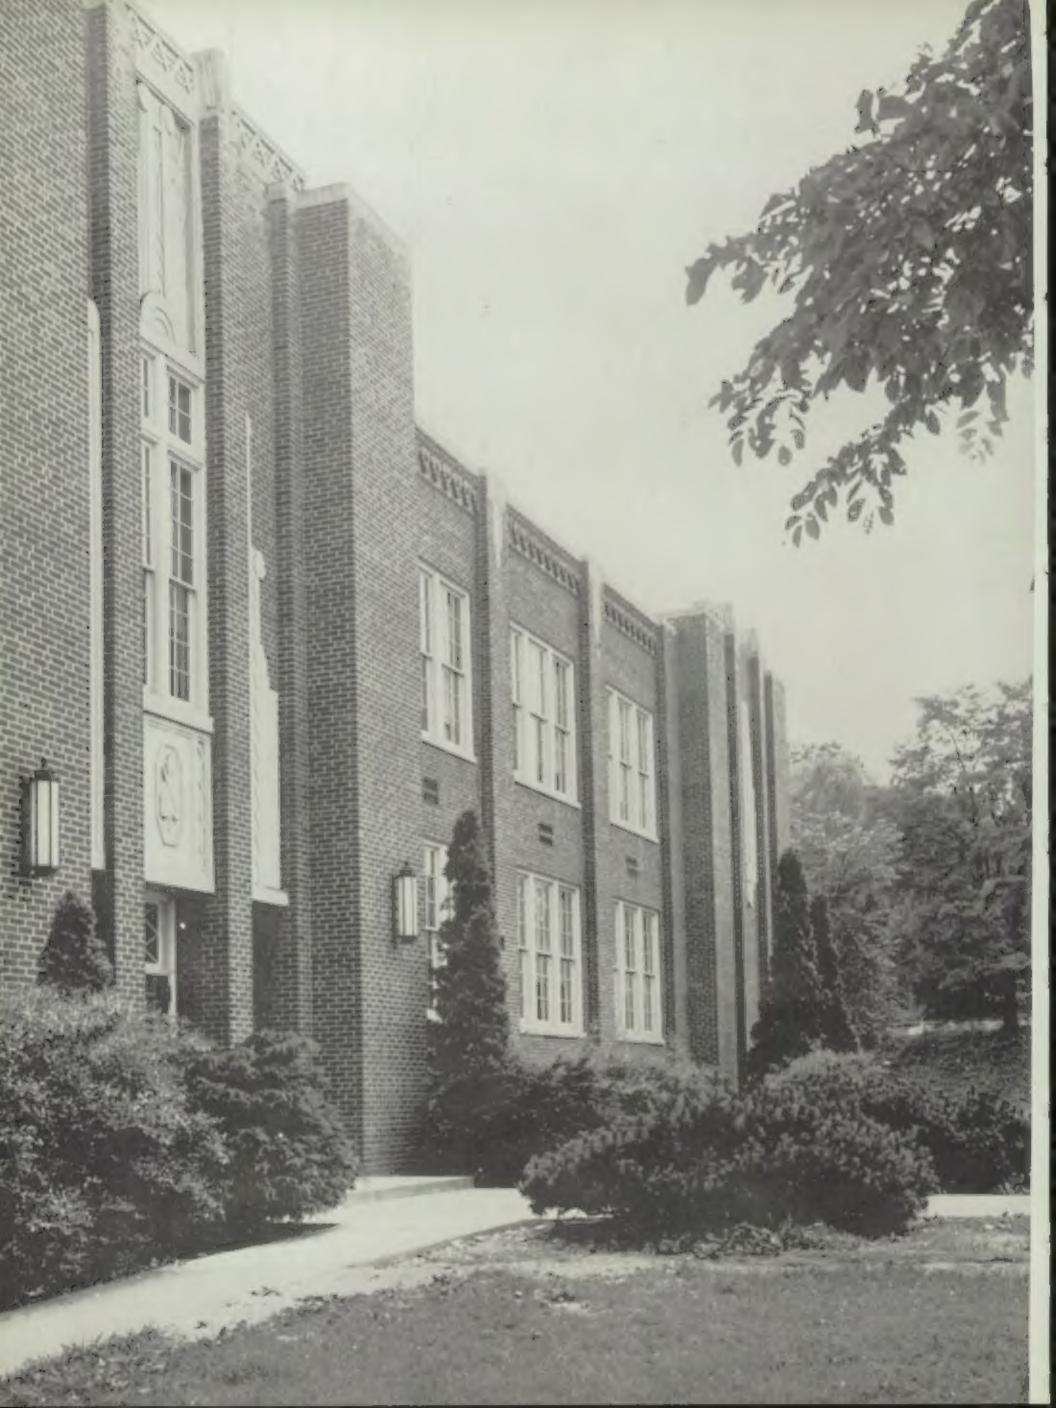

MR. J. WAKEFIELD McGILL

"SCHOOL PUBLICATIONS
ARE ONLY AS GOOD
AS THE STUDENTS
MAKE THEM."

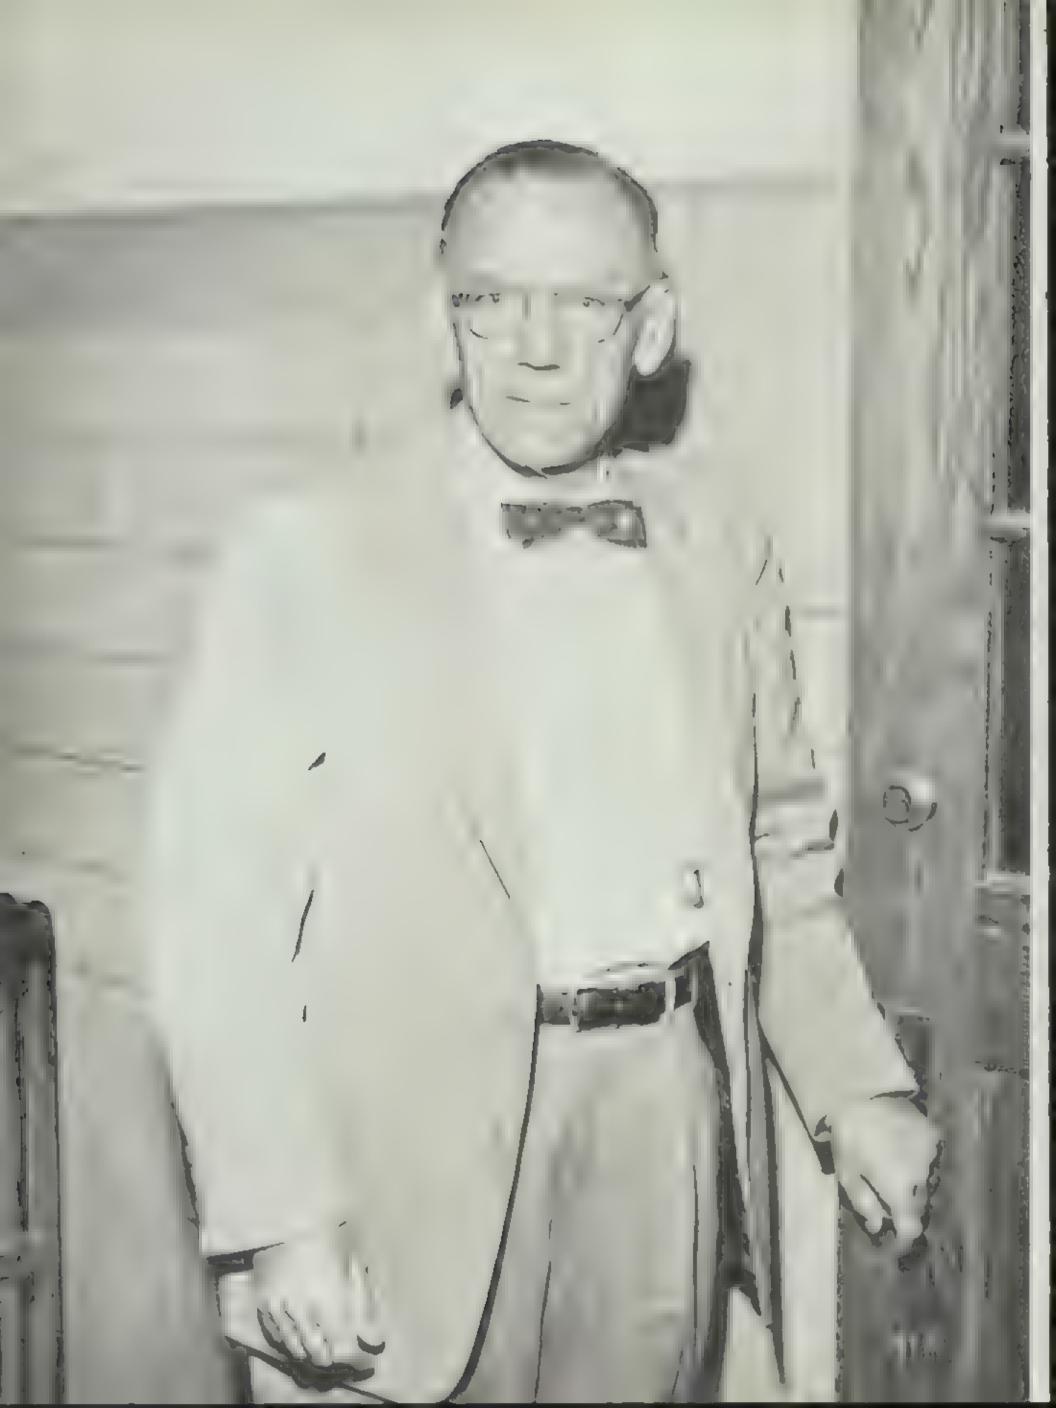

"The Yearbook is a chronicle of the school year and the graduating class. For Seniors it is the culmination of twelve years of working and naturally reflects the spirit of the class. It should induce one to recall in years to come the high point of the year and the everyday things so familiar to us now. It has been a great pleasure and privilege to work with the staff on our yearbook and I would like to thank each and everyone who made this book possible.

ROBBINS RIDINGTON

With Gratitude

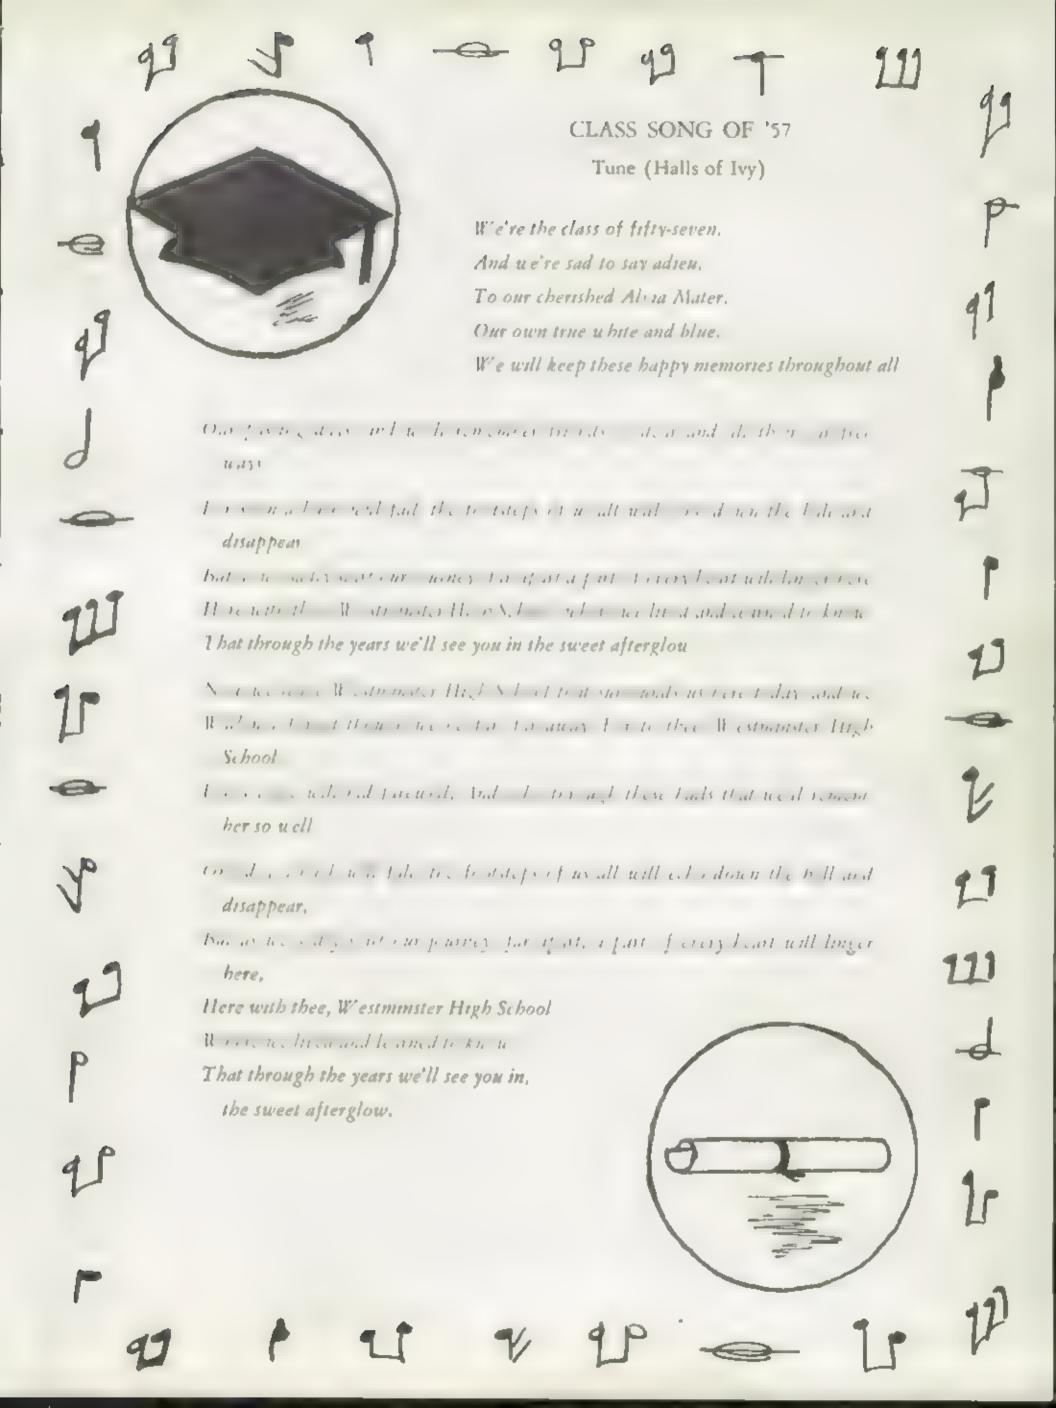

We, the Class of Fifty Seven, dedicate our Yearbook to Mr. Lyman D. Earhart, "Doc." We'll remember with nostalgia the test cards on the blackboard in Geometry and the way an "unsolvable" equation made sense after his patient explanation, but most of all, we'll remember his dry sense of humor, his down to earth advice and comments on life, and his undisputed fairness.

We teel honored to be just one class in the long line of students he has led in his thirty-three years of teaching in the county. Mr. Larhart has been an inspiration and guide to students, past and present, at the turning points of their lives.

We proudly call Mr. Earhart TEACHER in the full dignity and respect of the word as we dedicate the Fifty-Seven Yearbook to him.

We're the Ches of '57

Our Cherished Memories

It seems just a short time ago that the Class of 57 entered Westminster High School. But now "Father Time" tells us it is time for us to say farewell. As we leave these hallows a hallow across behind us six gillier years of men ones. We will never torget

SEVENTH GRADE

We in merely dispersity to our Tisses and were more asset were seried to death of a sacred place collect letest on had and many of as became honority in indices. In the Security Orace severy of the students and the big Christmis Play and I was the boys turn to lend their beautiful soprano voices to the angelic boys' choir

EIGHTH GRADE

The enable good passed by very quality. With very little opportunity to join clubs or participate in sports we spent most of our time being studious "demons."

NINTH GRADE

Then came our Freshman Year. It was our turn to be the big wheels of the Junior High Some of our boys and girs node the lamer Virsity teams. We begin to take much parts in many extracarricular a rivites. He highlight of the veir came with the big class trip to Annapolis.

TENTH GRADE

Our Sigliomore Year royal around quakay. We operated on trigs and earthwores in Biology (the girss being horrified) and did our first Stakespeare in Play. We or gir ared our class and elected Nolson Brenzeman as President. We omed many clubs and became well rooted us high school are. The major event of the year was the Soyho more Swing which proved to be a great success.

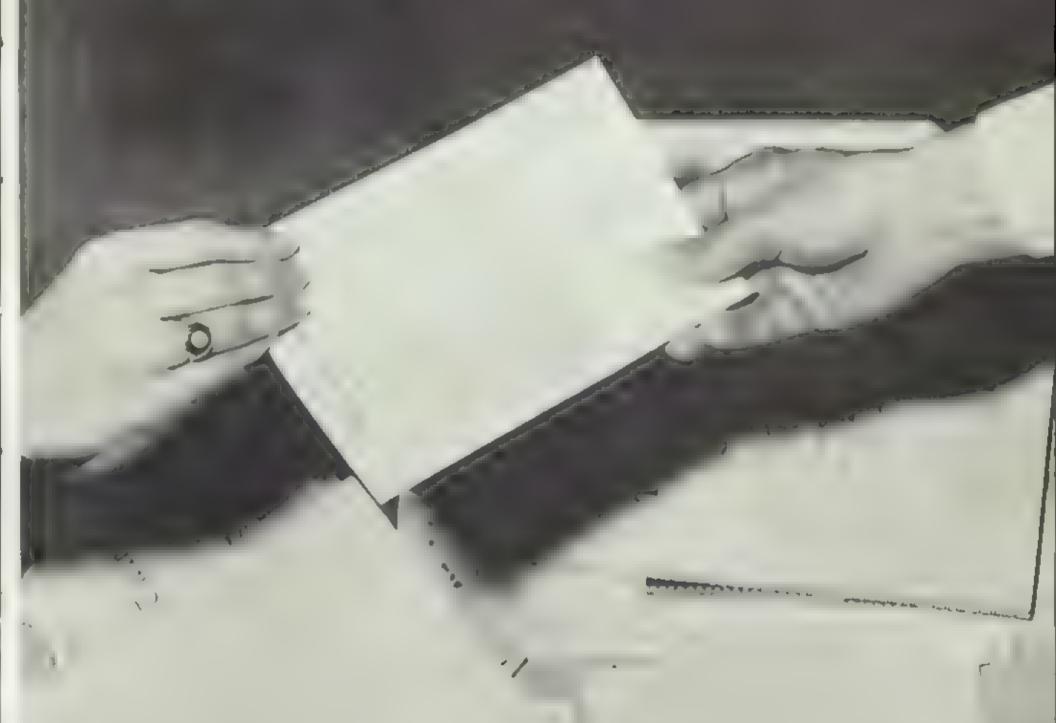

FLEVENTH GRADE

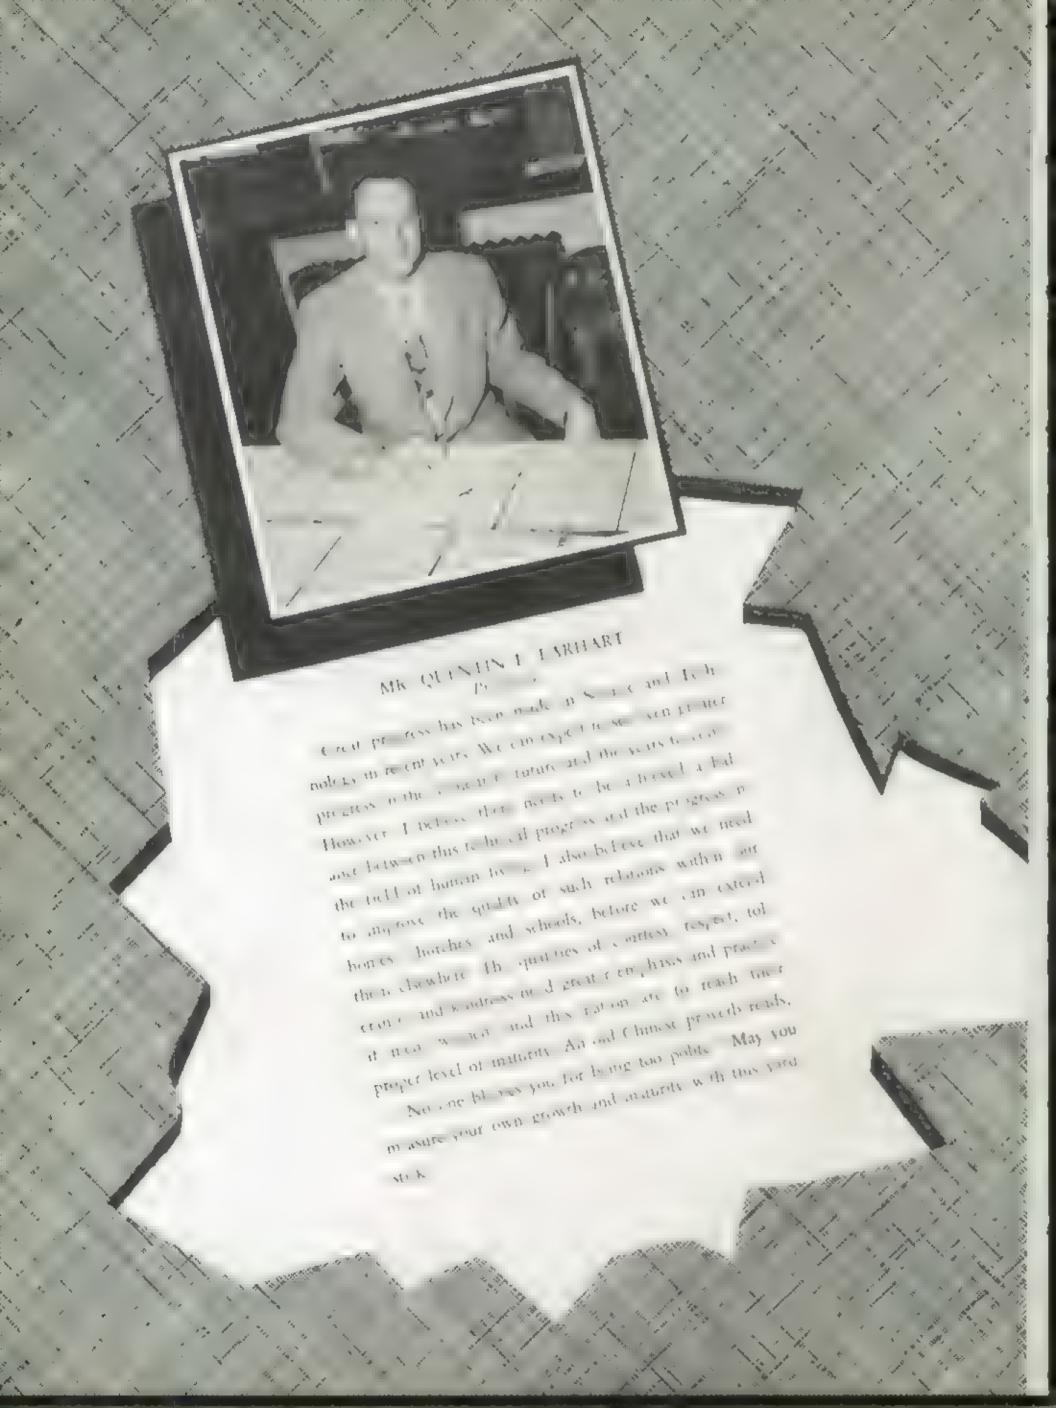

In our Jun or Year we began to prepare for leadership of the school. In the fall we elected Jim Head as Class President, and he served us to the utmest capacity. We will never forget those crazy dramatics classes and those amosing pantomimes. It was our turn to fill the hall with fragrant odors of chemistry and write those term papers. The culm nation of the year was our long awaited Junior Promittee theme of which was the Carouse. As we stood before the Class of 56 on Class Night singing our class song we began to realize that the end of our school years was drawing high and that great responsibilities were lying ahead of us.

TWELFTH GRADE

I rally the long awaited tale of Seniors. We capably took over the leadership of the school and tried to prove good examples for the underclassmen. The year was highlighted with many activities such as the Christmas Play and Chorus, the Esteddioa. Magazine Campaign, the Ser or Prom. those horrible exams. Class Night, and finally Graduation. Though we are sad to leave we are looking forward to taking our place in the world proving that our education was a great benefit to us.

Stage Crew

The W. H. S. Stage Crew has assisted Mr. Eaton in preparing for theatrical presentations and assemblies. Plying the irts of carpentry, electrical engineering, and staging, the crew gains valuable experience while participating behind the scenes in the programs we all enjoy. The dramatic lighting effects, and artful scenery that we all take for granted are the results of careful planning and hard work on the part of the stage crew.
